Join us for a special Bead & Tea Saturday

Over the past seven months, our beading social dates have been either closed down, snowed out, or frozen to the point that we can't make it out of the house. Therefore, we're hosting a special **Bead & Tea Saturday on March 2** from noon to 4:00 p.m. Join other avid beaders in our well-lit studio space to work on favorite projects. Our staff will answer basic beading questions, and you can always ask another beader at the table how to fix a problem.

Bring your favorite mug and all your UFOs (UnFinished Objects) and get ready for some beading fellowship! We will provide a selection of teas. If you don't like tea, feel free to bring your hot beverage of choice or a Keurig pod to brew on sight. Free. No registration necessary.

Need a repair? We can help.

Got a favorite piece of jewelry that is broken and unworn? Let us bring it back to life. We have the tools and experience to make most fixes.
